- **Fields**

# Ongoing Accountability and Transparency

- **Independent Citizens Oversight Committee to scrutinize how the bond funds are being allocated and spent.**
- **The Oversight Committee would meet, at a minimum quarterly, and publish an annual report to the School District Board and community**
- **Annual bond performance audit and a bond financial audit**
- **Adoption of a proven project tracking system**

# Ongoing Accountability and Transparency (Cont.)

- **The Facilities Master Plan will be complete and no significant projects will be initiated after bond passage until a complete Facilities organization is in place and functioning**
- **The School Board and Oversight Committee will personally tour completed projects**
- **The District will establish a public website that tracks the projects completed on a school by school basis**

# Ongoing Accountability and Transparency (Cont.)

- **The Facilities Master Plan will be updated quarterly in summary and annually in detail, and will be a true “living” document**
- **All Facilities Master Plan public documents are posted to the PUSD website**
